# DEFINE YOURSELF

This year's recital theme, **Define Yourself**, celebrates what makes every dancer unique.

Dance is more than movement—it is confidence, creativity, expression, and joy. Every dancer brings something special to the stage, and this recital is a celebration of who they are both on and off the stage.

From **storytellers** to **showstoppers**, **artists** to **athletes**, every dancer takes the stage to **define themselves**.

*Tonight, we invite you to watch them **define themselves**.*
